

Congress of the United States  
House of Representatives

April 23, 2021

The Honorable Peter DeFazio  
Chairman  
Committee on Transportation  
and Infrastructure  
U.S. House of Representatives  
Washington, D.C., 20515

The Honorable Sam Graves  
Ranking Member  
Committee on Transportation  
and Infrastructure  
U.S. House of Representatives  
Washington, D.C., 20515

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for Hal Greer Boulevard corridor upgrade in surface transportation reauthorization legislation.

The project sponsor for this project is the City of Huntington and the project is located at Hal Greer Blvd, Huntington, West Virginia, 25701, in the Third Congressional District of West Virginia.

The funding is designated for construction of the Final Phase 3 of the Hal Greer Boulevard Corridor Upgrade. This 2-mile segment will improve Hal Greer Boulevard at its intersection with Washington Boulevard, known as the "front door" of Huntington, through to Kinetic Park and its Amazon jobs center, to Interstate Route 64 and Highlander Drive, where Huntington High School is located. The Phase 3 project will complete Phases 1 & 2 (fully funded and slated for construction in early 2022), and connect Phase 3 to the Mountain Health Hospital and medical complex, the underserved minority neighborhood Fairfield, Marshall University, and downtown Huntington. This segment, which will be shovel ready in 2021, will include a road diet, traffic calming, dedicated pedestrian and cyclist lanes, transit bus stops and shelters, stormwater management, lighting, and streetscaping/aesthetic upgrades in the rights of ways.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carol D. Miller  
Member of Congress
